

Spring FAIR

The Alta Vista School Council needs your help in making this year's Spring Fair a success. Each year, the event raises over \$10,000 for your children! Below are ways that you can help. Use the attached Volunteer Form to sign up for the activity of your choice!

Volunteer Your Time...

This event is entirely volunteer driven! Approximately 100 volunteers are needed for May 14th. Sign up for a fun two hour shift and still be able to attend the fair!

Donate Silent Auction Items...

Are you a business owner? Your products or services are what make the auction so great! Consider donating a service or product for our auction. This includes student services as well! Services such as dog walking, meal preparation and babysitting are popular services. If you visit a business regularly, why not invite them to be a part of our community by donating a product or gift certificate?

For auction information, contact Marty at 613-620-0339 or martycarr@sympatico.ca
